5th IEEE AICAS International Conference on Artificial Intelligence Circuits and Systems

Invitation Letter

On behalf of the IEEE Artificial Intelligence Circuits and Systems (IEEE AICAS) Conference Committee, we are pleased to invite you to attend the 5th IEEE AICAS International Conference on Artificial Intelligence Circuits and Systems in Hangzhou, China.

This conference is the flagship conference of IEEE Circuits and Systems and has attracted active participation from researchers in academia, industry and research institutions worldwide since its inception. Many of the latest innovations and hot-spot achievements in the field of artificial intelligence circuits and systems have been presented at this conference.

The past four IEEE AICAS conferences have been held in South Korea, the United States, Italy, and Taiwan, China. From June 11 to 13, 2023, the fifth IEEE AICAS conference will be held in Hangzhou, China, the first time it has been held in mainland China.

Artificial intelligence is driving a revolution in manufacturing, automotive, medical, robotics, entertainment, and other fields. People need new computing platforms to support emerging AI algorithms and applications, from ECS to edge devices, from system level to circuit level. Faced with this series of new challenges and opportunities, IEEE Circuits and Systems Committee has established a series of new IEEE International Conferences on Artificial Intelligence Circuits and Systems to promote the latest research, innovation and development activities at cutting-edge AI circuits and systems. It brings international academia and industry to exchange experiences, present their research results and advance AI technologies.

第五届IEEE AICAS 国际人工智能电路和系统会议
5th IEEE AICAS International Conference on Artificial Intelligence Circuits and Systems

Participants

International guest speakers: about 20.

Presenters: about 100.

International registered attendees: about 300.

Special guests (suppliers): about 20.

Sponsorship rules

This conference provides opportunities for domestic and foreign instrument manufacturers, sales vendors and suppliers in the fields of microelectronics, EDA software, circuit systems, as well as engineering and medicine to exhibit and introduce their equipment and products. Representatives of manufacturers and suppliers are welcomed to participate in the sponsorship.

The conference sponsorship are divided into four levels: Diamond, Gold, Silver and Bronze. The amount of sponsorship is 80,000, 50,000, 30,000 and 10,000 respectively. Participating sponsorship benefits are as follows.

Sponsorship Type

Diamond sponsor

CNY ¥80000.00

◎Diamond sponsors are listed on the conference website, brochure, notice and other exhibit directory (in the order of payment).

◎Sponsor logo prominently printed on the conference handbag, representative card and information pack.

◎A handbook for sponsors are placed in the participants' information pack.

◎The colorful flyer of sponsor's introduction can be added to the conference brochure. The content shall be provided by the sponsor and confirmed by the conference team, which shall be arranged in the order of payment.

◎Two booths will be provided free of charge and Diamond sponsors have the priority to choose the booth location.

◎4 banners.

◎Playing promotional video of the sponsor before the opening ceremony and at the coffee break during the conference.

◎The sponsor of the conference invites 4 sponsors of this level to attend, free of registration fee, and provides coffee breaks and meals during the conference.

◎Presenting souvenirs of the conference.

◎Other matters agreed by both parties.

Golden Sponsor

CNY ¥50000.00

◎Golden sponsors are listed on the conference website, brochure, notice and other exhibit directory (in the order of payment).

◎Sponsor logo prominently printed on the conference handbag, representative card and information pack.

◎Sponsor's double-sided promotional leaflet in the participant's information pack.

◎Free booth.

◎3 banner.

◎Sponsor's promotional video will be played at the coffee break during the conference.

◎The sponsor of the conference invites 3 sponsors of this level to attend, free of registration fee, and provides coffee breaks and meals during the conference.

◎Presenting souvenirs of the conference.

◎Other matters agreed by both parties.

Silver Sponsor

CNY ¥30000.00

◎ Silver sponsors are listed on the conference website (in order of payment).

◎ Sponsor logo prominently printed on the conference handbag, representative card and information pack.

◎ Sponsor's double-sided promotional leaflet in the participant's information pack.

◎ Free booth.

◎ 2 banner.

◎ The sponsor of the conference invites 2 sponsors of this level to attend, free of registration fee, and provides coffee breaks and meals during the conference.

◎ Presenting souvenirs of the conference.

Bronze Sponsor

CNY ¥10000.00

◎ Bronze sponsors are listed on the conference website (in order of payment).

◎ Free booth.

◎ Sponsor's double-sided promotional leaflet in the participant's information pack.

◎ 1 banner.

◎ The sponsor of the conference invites 1 sponsors of this level to attend, free of registration fee, and provides coffee breaks and meals during the conference.

Exhibitors and booth descriptions

Booth

Each booth provides 2m×1.5m (3 m²) exhibition area, 1 table (1.8m×0.45m), 2 chairs and single-phase power supply. Sponsors should indicate special requirements on the booth application form. Diamond sponsors have the priority to choose the booth location and the rest of the booths will be allocated on a first-come, first-served basis. The Organizing Committee reserves the right to make reasonable changes to the booth location.

Exhibition venue

The exhibition venue is set up in a dedicated exhibition hall, which is adjacent to the conference venue to ensure the quality of the exhibition and the flow of people. The coffee break, dinner, poster exhibition and instrument exhibition of the conference will be arranged in different functional areas of the same exhibition hall, while some functional facilities of the conference will also be arranged in the hall.

邀请函

我们很高兴代表 IEEE Artificial Intelligence Circuits and Systems (IEEE AICAS) 会议委员会邀请您参加在中国杭州举办的第五届 IEEE AICAS 国际人工智能电路和系统会议。该会议属于 IEEE 电路与系统领域的旗舰会议，自成立以来，吸引了全球学术界、工业界和科研机构的研究人员积极参与，众多人工智能电路与系统领域的最新创新和热点成果均在该会议上发表。过去四届IEEE AICAS会议分别在韩国、美国、意大利以及中国台湾省举办，2023 年 6 月 11 日至 13 日第五届 IEEE AICAS 会议将在中国杭州，也是首次在中国大陆举行。

人工智能正在推动制造、汽车、医疗、机器人、娱乐等领域的一场革命。需要新的计算平台来支持新兴的人工智能算法和应用，从云服务器到边缘设备，从系统级到电路级。面对这一新的挑战和机遇，IEEE 电路和系统协会成立了一系列新的 IEEE 人工智能电路和系统国际会议，以促进 AI 电路和系统前沿的最新研究、创新和开发活动。它将国际社会的学术界和工业界聚集在一起，交流经验，展示他们的研究成果并推进人工智能技术。

赞助商等级介绍

钻石级赞助商

80000.00 元

◎会议网站、会议手册、会议通知等宣传列明钻石级别赞助商，顺序按照打款先后排列；

◎会议手提袋、代表证及资料袋上放置赞助商 LOGO；

◎参会者资料袋里放置赞助商宣传册；

◎会议手册可添加一页彩色介绍，内容由赞助商提供并经会务组确认，顺序按照打款先后排列；

◎优先选择展位，大展位免费；

◎易拉宝海报宣传 4张；

◎会议开场前和茶歇时间播放宣传企业视频；

◎邀请该等级赞助商 4 人出席，免注册费，含会议期间茶歇与用餐；

◎赠送会议纪念版礼品；

◎其他可双方同意协商事项；

金牌赞助商

50000.00 元

◎会议网站、会议手册、会议通知等宣传列明金牌赞助商，顺序按照打款先后排列；

◎会议手提袋、代表证上及资料袋上放置赞助商 LOGO；

◎参会者资料袋里放置赞助商双面宣传页；

◎免费提供展位；

◎易拉宝宣传 3张；

◎茶歇时间播放宣传企业视频；

◎会议主办方邀请该等级赞助商 3 人出席，免注册费，含会议期间茶歇与用餐；
